SUMMARY

B.Tech Computer Engineering Student @ SAKEC | Aspiring Data Analyst passionate about extracting insights from data to solve real-world business problems. Proficient in Excel, SQL, Python, Power BI and data visualisation, with experience in data cleaning, analysis, dashboard development, and reporting.

TECHNICAL SKILLS

Programming	Python, SQL
Data Analysis	Microsoft Excel, SQL, Python (Pandas, NumPy)
Data Visualisation	Power BI, Tableau, Matplotlib
Analytics Tool	Power BI, Power Query, DAX, Dashboard Development
Statistics	Descriptive Statistics, Probability, Data Interpretation
Tools	Jupyter Notebook, Git, GitHub, VS Code
DataBase	MySQL

PROJECTS

Sales Performance Dashboard | Power BI, Excel, SQL

- Developed an interactive Power BI dashboard to monitor business KPIs including Sales, Revenue, Profit, and Regional Performance.
- Cleaned and transformed sales data using Excel and SQL to improve reporting accuracy.
- Performed Exploratory Data Analysis (EDA) to identify sales trends, top-performing products, and regional insights.
- Designed interactive charts, slicers, and KPI cards to support business decision-making.

Real Estate Market Analysis | Python, SQL, Power BI

- Analysed a real estate dataset using Python (Pandas, NumPy) and SQL to identify pricing trends and regional market growth.
- Conducted data cleaning by handling missing values, duplicates, and inconsistencies.
- Built an interactive Power BI dashboard with filters, charts, and KPI cards to visualise property performance.
- Generated insights through EDA to support data-driven analysis.

EXPERIENCE

Shah and Anchor Kutchhi Engineering College – Student CouncilJul 2025 – May 2026

Sports-Coordinator

- Led planning and execution of multiple college-level events, ensuring timely delivery, operational efficiency, and high participant engagement.
- Collaborated with cross-functional stakeholders (faculty, student teams, management) to manage event logistics, scheduling, and coordination.
- Led planning and execution of 10+ sports events with 800+ participants.

EDUCATION

Bachelor of Information Technology (B.Tech)2023 – Present

Shah and Anchor Kutchhi Engineering College (SAKEC), Mumbai University
